DADS always welcomes new members and patrons. If you're interested in becoming a member or patron, our secretary, Joanna Gardiner (Tel: 01483 200922), will be pleased to give you details without any obligation on your part to appear in the cast.

The text in this programme has been translated from the original Martian by Intergalactic Translators Inc (IT)[®], Uranus, Jupiter, Mars, Betelgeuse and Dunsfold. This translation is to give you more practice in English, which is the language that the Earthlings in Dunsfold speak (more or less).

For your FREE copy of the IT[®] brochure, just leave your name and address, together with £49.99 (to cover postage, packing and taxi fares to the bank) with any member of the bar staff. Please allow an excruciatingly long time for delivery.
