Be careful who you spring from prison!

Fred Baxter has a plan. He is convinced that hidden in the Hook House Hotel lies a small fortune in loot, stashed there by the notorious bank robber, Harold Spook, before he was arrested and sent down. Fred's accomplice, Charlie Mullins, has sprung Harold from prison and brought him to the hotel; the plan is for the three of them to stay the night, find the money and scarper in the morning.

The action takes place in the lounge bar of Hook House, a small hotel somewhere in the Surrey countryside. The time is c. 1970.

DADS always welcomes new members and helpers. Next year's production of Robinson Crusoe will involve a lot of hard work and a huge amount of fun. We need as much help as possible from as many people as possible, to ensure that it's as successful as our production of Aladdin was 5 years ago.

If you can help with any of the following - painting of scenery, set building, costume design or costume-making, or if you would like to be in the cast or chorus then do please get in touch – and the sooner the better.

If you're interested in joining DADS or helping us in any way, then please contact Gillian Kisch on 01483 200 252.
